Be it enacted by the Senate and House of Representatives in General Assembly convened:

1 Section 1. Subsection (b) of section 14-36 of the general statutes is

14 a person who holds an instructor's license issued under the provisions

16 licensed to operate, for at least four years preceding the instruction, a
17 motor vehicle of the same class as the motor vehicle being operated

21 operator's license may operate a motor vehicle for a period of thirty
22 days following such person's establishment of residence in
23 Connecticut, if the motor vehicle is of the same class as that for which
24 his or her out-of-state motor vehicle operator's license was issued. (3)
25 No person may cause or permit the operation of a motor vehicle by a
26 person under sixteen years of age. (4) No motor vehicle operator's
27 license shall be issued to any applicant who holds an adult instruction
28 permit before such applicant (A) has successfully completed not less
29 than ten clock hours of behind-the-wheel, on-the-road instruction
30 under the instruction of a person who (i) holds an instructor's license
31 issued under the provisions of section 14-73, or (ii) is twenty years of

33 four years preceding the instruction and whose motor vehicle
34 operator's license was not suspended by the commissioner during such
35 four-year period, and (B) submits to the department, with such
36 applicant's application for a motor vehicle operator's license, a written
37 statement signed by such instructor attesting that such applicant has
38 successfully completed the behind-the-wheel, on-the-road instruction
39 requirements established in this subdivision. (5) The commissioner
40 shall not issue a motor vehicle operator's license to any applicant
41 holding an adult instruction permit before such applicant (A) has held
42 such permit for ninety days or more, or (B) has held such permit for
43 forty-five days or more and completed a state-approved driving
44 course.

45 Sec. 2. Subdivision (1) of subsection (d) of section 14-36 of the
46 general statutes is repealed and the following is substituted in lieu
47 thereof (*Effective October 1, 2013*):

55 vehicle operation prepared as provided in section 14-36e, (ii) of
56 training of similar nature provided by a licensed drivers' school
57 approved by the commissioner, or (iii) of home training in accordance
58 with subdivision (2) of this subsection, including, in each case, or by a
59 combination of such types of training, successful completion of: Not

 85 approve the content of the safe driving instruction at drivers' schools,
 86 high schools and other secondary schools. Subject to such standards
 87 and requirements as the commissioner may impose, the commissioner
 88 may authorize any drivers' school, licensed in good standing in
 89 accordance with the provisions of section 14-69, or secondary school
